

Executive Summary

Corporate Information

Arlan SA, a limited liability company, was established in Geneva, Switzerland in 1983. Arlan is a privately held independent service company.

The Management of Arlan has many years of international experience in the field of business solutions and financial planning. Today, the corporate activities of Arlan are primarily focused on corporate advisory and professional support services.

Arlan is represented in Switzerland, Ireland, the United Kingdom, the United Arab Emirates and the Kingdom of Saudi Arabia.

Arlan is a regulated Swiss financial intermediary and a member of the "Swiss Association of Independent Financial Advisors" (Groupement Suisse des Conseils en Gestion Indépendants).

Place of Business

In a rapidly changing, progressive and dynamic world, location matters. Arlan operates from Geneva, Switzerland, a safe and attractive business environment. This centrally located European city is an international business base for Europe, the Middle East and Africa and home to many multinational companies active in a wide range of commercial, industrial and service activities.

Geneva hosts a strong financial centre with an extensive banking industry, providing clients with a complete range of local and global banking activities. Geneva provides all of the necessary services such as international law, accountancy, auditing, business consultancy and insurance for multinational and multilingual clients.

Corporate Advisory

Arlan provides the following financial and corporate services:

- Management Consultancy
- Project and Financial Analyses
- Investment Advisory Services
- Portfolio Management Services
- Portfolio and Investment Analyses
- Performance Measurement and Compliance Monitoring
- Accounting and Reporting Services
- Financial Studies and Evaluations
- Back-Office and Administration Services
- Fiduciary and Trust Services
- Information Technology Services

Arlan makes a concerted effort to maximize a client's efficiency through creativity and the exchange of knowledge and experience from both internal as well as external sources. All client relationships are based on a review and subsequent report on the progress of each activity, formulating recommendations and initiating actions leading to further development.

Corporate Policy

It is the policy of Arlan to provide customized business solutions and to help clients gain a strategic market advantage. Arlan pledges to monitor the client's performance and to strive for continuous improvements. In addition, Arlan is committed to integrity, reliability and utmost discretion.
